Sixth Annual Reception & Dinner

Thursday April 8, 2010

Reception and Silent Auction 6:00 pm Dinner 7:00 pm

Riverwalk Banquet Center - 6729 Westfield Blvd - Indianapolis

Featured Guest Speaker: Marcus Grodi,

and his wife Marilyn were both life long Protestants, Marcus was an ordained Presbyterian minister, before being received into the Catholic Church in 1992. Their journey into the Catholic Church was very exciting and fulfilling but also very lonely, because they knew only a few other ministers who had converted, knew very few Catholics, and because none of their Protestant friends could understand why they were doing such a "foolish" thing.

After their conversion, they began to meet other clergy converts as well as clergy and their families who were still on the journey home. Together they saw the need for a fellowship of converts and their families to provide a network of help to others still on the journey. This is how the Coming Home Network International began in 1993.

Marcus Grodi and the Coming Home Network

During the last 15 years, the CHNetwork has grown considerably, primarily because the Holy Spirit continues to open the hearts and minds of our separated brethren to the truth of the Catholic Faith. Every week the Coming Home Network hears from 2-5 new Protestant ministers somewhere along their journey home. Over these past fifteen years, we have assisted nearly 1600 ministers from over 100 non-Catholic traditions. We have also assisted many laymen, and do this in partnership with over 10,000 life-long Catholics and converts who support our work through their prayers, fellowship, evangelistic outreach, and financial support.
